

# 38th Annual St. Luke's Foundation Benefit Tournament

For 38 years, the Benefit Tournament has supported St. Luke's Foundation initiatives, most recently, our COVID-19 Response Fund. With safety precautions still in place, like last year our Benefit Tournament will be a bit different due to the pandemic. Supporters may golf at Northland Country Club from June 1st through the end of the season with a portion of their golf fee being directed to St. Luke's Foundation. Due to event limitations we are unable to host our other usual games and activities this year.
