

# 2020 Benefit Tournament Updates & Sponsorship Information

Your sponsorship is critical as we build St. Luke's COVID-19 Response Fund. These funds continue to be used where need is the greatest such as procuring personal protective equipment, acquiring new and adaptive technology, enhanced lab testing, repurposing space and other adjustments made to day to day operations.

In lieu of a formal event, supporters may golf at Northland Country Club anytime beginning in July through the end of the season with a portion of their golf fee being directed to St. Luke's Foundation. Due to event limitations we are unable to host other games and activities this year.
